

Information Technology Manager

Got talent
#JoinAlpha

Alpha Malaysia exists to equip the church in its mission to help people discover and develop a relationship with Jesus. Our mission is bigger than any individual task, but together our work contributes to the bigger picture. As a Christian organisation, our faith is an integral part of our working culture.

About Alpha

Alpha is a series of interactive sessions that freely explore the basics of the Christian faith. The vision of Alpha is to see the evangelisation of the nations and the transformation of societies. The mission is to inspire, train, equip and mobilise churches around the world into more effective evangelism through Alpha and its related ministries. Today, over millions of people around the world have attended Alpha.
